Nottingham Republicans meet the second Thursday each month at 7:00 PM. We are meeting in conference room 1 at the Community Center. If you would like information on our Committee you may email Pat Desrosiers at memedesrosiers@gmail.com. All Republicans, Conservatives, Libertarians and Independents who value liberty, fiscal responsibility and limited government are encouraged to join us. Democrats who feel disenfranchised with the current direction our country is taking are welcome. Remember many of us are your neighbors.

The committee is fortunate to have State Senator John Regan, State Representative Alan Bershtein and Nottingham Selectman Ben Bartlett attend our meetings. They inform us on what is happening in state and local government and are open to answering questions and addressing issues constituents may have. An informed citizenry makes better choices at the polls.

Look for us on Facebook Nottingham, NH Republicans.

Our next two meetings will be July 8 and August 12.

Community Spotlight

Submitted by Charlotte Fyfe
In this issue, Community Spotlight shines on... **Bonnie Winona MacKinnon.**

Q: What is your role in the Nottingham Community?

A: I am in my 10th year as Town Moderator, in charge of putting on elections as well as the annual Deliberative Sessions. I am also Chairperson of the Zoning Board of Adjustment and the Nottingham School District Moderator. My job as Town Moderator requires a great deal of work - more than most people know! I'm fortunate to have so many dedicated and experienced election officers, community members, and town employees - without whom we could never conduct the smooth, high quality elections that Nottingham enjoys. My job is to follow and enforce all the statutory rules governing elections. I try hard to remain unbiased and to implement these rules evenly and fairly at all times. This sometimes causes me to be perceived as "the bad guy", but it is important to follow the law to ensure fair, transparent elections with equal access to all citizens.

Q: What do you most enjoy about Nottingham?

A: People! When I moved here from Portsmouth many years ago, my neighbors reached out to inform me about their opposition to the controversial USA Springs. The proposed bottling plant would have tapped into Nottingham's groundwater, withdrawing 300,000 gallons per day for bottled water sales overseas. I made many new friends through our successful efforts to block this plan, and was gratified by the power that communities and people, united with a common goal, can have.

Q: What would we find you doing in your free time?

A: I am an avid gardener. This year I have grown 50 tomato plants from seed alone! I give my vegetables away to friends and neighbors, use some of them myself, and I freeze some for use year-round. My grandmother would say that I am the daughter of a thousand sailors. Perhaps that is why I love to travel and see the world. I have visited 47 of the 48 continental states and about 20 other countries. I am also a hatha yoga instructor and enjoy my 2 dogs, 3 cats and the neighbor's chickens who visit my yard daily.

Bonnie MacKinnon in charge at the Nottingham Election on June 8th

A Steamy, but Well-Run Town Election!

The June 8, 2021 Nottingham Town Elections were marked by a steady stream of 1,182 Nottingham voters, despite the sweltering heat and humidity. The day went smoothly, with little-to-no wait time, thanks to the hard work of Town Moderator, Bonnie Winona MacKinnon, Town Clerk, Lori Anderson and a small army of seasoned Election Officers, community members, and town employees.

Voters had many important articles to consider – with both Town and School positions up for election, as well as 21 articles on the Town Warrant and 7 on the School Warrant. Voters had 3 sheets of ballots – front and back sides - to fill out!

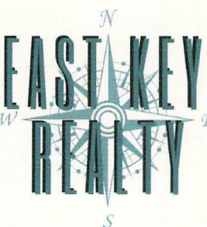

High profile votes included:

- Selectmen Ben Bartlett and Tiler Eaton were re-elected
- The private “lake roads” were accepted
- The school renovation bond failed and the School Administrative Union (SAU) withdrawal passed

Voters appeared to be in a “yes” mood this election cycle, as all of the 21 articles on the Town Warrant were passed. Ditto for the School Warrant Articles

#2-7, the only failed article being #1, for the school renovation bond.

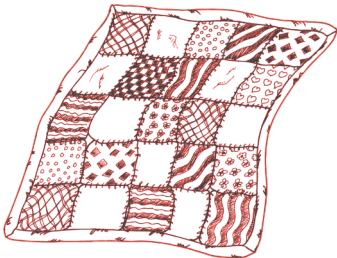

Residents can look for: an updated kitchen being installed in the Town Office complex; the creation of sleeping quarters at the fire station; and some new equipment for the Highway Department, among other articles passed.

At deadline, the above results were still considered preliminary. To look at the final vote tallies for Town and School elected officials, and all Warrant Articles, go to the Town of Nottingham website: www.nottingham-nh.gov, click on “News and Announcements” and then to “Election Results”.

The Pawtuckaway Piecers Quilt Guild meets the second Monday of every month at 6:30 PM at the Nottingham Community Center (outdoor meetings are being held at this time). The guild is a small group of talented, creative quilters who love to get together and share our love of quilting. There is usually an informative program at each meeting. We also hold an annual quilt raffle, a monthly Saturday sew at the Community Center, and an annual weekend retreat. New members and guests are always welcome! Our annual dues are \$20. A part of the dues goes toward charitable donations such as local food pantries, End 68 Hours of Hunger, and summer camp scholarships for our local Recreation Departments.

You need not be an experienced quilter or a resident of Nottingham to join.

If you have any questions or would like more information about the guild, feel free to contact Pat Vachon at 603-679-8078.

Blueberry Pancake Breakfast

Mark Sunday, August 8, 2021 on your calendar! The Nottingham Historical Society is planning to hold its annual Blueberry Pancake Breakfast in front of the schoolhouse on Nottingham Square between the hours of 8:00 and 10:30 am, if the improving COVID situation permits. This year we are planning to hold the breakfast entirely outside. There will be tents to ward off the sun or rain, whichever the weatherman gives us. COVID protocols in place at the time, will be adhered to.

In addition to serving as a fund raiser for the Historical Society, the breakfast provides an opportunity to socialize with friends, listen

to local musical talent, and enjoy the delicious blueberries that grow so prolifically in the area. We hope to see you there!
